**Subject: Call for Papers to 2<sup>nd</sup> International Conference on Materials Science and Engineering in the Philippines (ICMSEP 2022) – Hybrid Conference**

Dear IMEP Members:

The **Institute of Materials Engineers of the Philippines (IMEP), Inc.**, a professional organization duly recognized by the Securities and Exchange Commission (SEC) in the Philippines, is inviting you and interested colleagues in your workplace to submit an abstract of a technical paper for oral presentation in the upcoming *2<sup>nd</sup> International Conference on Materials Science and Engineering in the Philippines (ICMSEP2022)*.

IMEP successfully organized the 1<sup>st</sup> International Conference on Materials Science and Engineering last October 25-27, 2018 in Lake Hotel Tagaytay, Tagaytay City, Philippines. This year, ICMSEP2022 will be held in **Richmonde Hotel Eastwood, Quezon City, Philippines** on **November 25-26, 2022** in hybrid mode.

The conference will feature special talks from invited plenary speakers as well as oral presentations of technical papers in the field of Materials Science and Engineering: Green Materials and Ceramics, Materials for Sustainable and Renewable Energy, Biomaterials and Composites, and Metals and Semiconductors.

Extended abstracts of technical papers for possible oral presentation are now being accepted until **August 31, 2022**. Please see attached guidelines for the submission of extended abstracts. Submit extended abstracts to [avamorsolo@up.edu.ph](mailto:avamorsolo@up.edu.ph). Selected papers will be recommended for publication in the Philippine Engineering Journal which will require full paper submission.

## **GUIDELINES FOR EXTENDED ABSTRACT SUBMISSION TO ICMSEP2022**

Participants who would like to make submissions for paper presentations in *ICMSEP2022* should follow the guidelines below in preparing the extended abstract. Suitable topics should be in the field of Materials Science and Engineering: Green Materials and Ceramics, Materials for Sustainable and Renewable Energy, Biomaterials and Composites, and Metals and Semiconductors.

1. Submit electronic copy of two-page extended abstract in Word format.
2. Title should be in bold font (Times New Roman, size 12). Within the title capitalize only the first letter of each word but not articles and prepositions. Use single spacing for title entries.
3. Indicate the authors and affiliations including contact e-mail of corresponding author.
4. Use single column format for text, Times New Roman, size 12.
5. Provide four to five keywords.
6. Send electronic copy of extended abstract to Dr. Alberto V. Amorsolo, Jr. [avamorsolo@up.edu.ph](mailto:avamorsolo@up.edu.ph).
7. Deadline for submission of extended abstracts is August 31, 2022.
8. Notice of Acceptance after evaluation by the Screening Committee will be released on September 15, 2022.
9. Extended abstracts will be featured in the electronic version of the souvenir programme.
10. Submitted extended abstracts may undergo further reformatting by the organizers when needed for the sake of uniformity in format of all submissions.
11. Acceptance for oral presentation will be based on the decision of the Screening Committee considering the quality of the paper and suitability for the conference based on the information presented in the extended abstract
12. Those recommended for publication in the Philippine Engineering Journal must submit a full paper after acceptance according to the format that will be sent to the corresponding author.
